  - Advising Services
- Tutoring
- Kern Center
- Career Fair
  - 350+ companies
- Student Life
  - 90+ student organizations & societies

Where do MSOE Graduates Work?

International Alumni

"MSOE has prepared me for my professional career since day 1. Small class size has enabled me to build relationships with professors. All my classmates are very dedicated and motivated which has inspired me to stay focused to achieve my goals. Now as a MSOE graduate, I am working as a software developer in a Milwaukee startup. MSOE is hard but is very rewarding!"
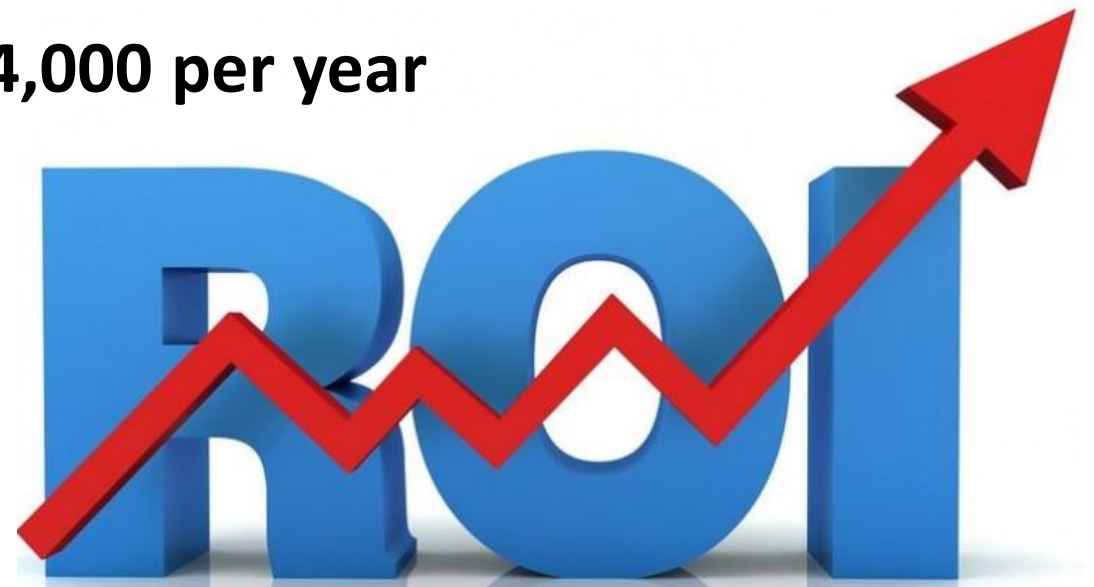

-Man Ching Kung (Dora)
