

# Fatima Ali

## Backend Developer

### SUMMARY

Experienced backend developer, adept at optimizing database design, crafting robust APIs, and emphasizing security. Proficient in enhancing server-side efficiency to support scalable solutions. Dedicated to staying updated with the latest industry trends.

### WORK EXPERIENCE

Backend Developer | full time 09/2022 - 02/2023  
[Modpos](#) Istanbul, Turkey

- Developed new desktop applications, resolved issues, and added features to existing projects by utilizing the .NET framework, Ado.Net, and MSSQL.
- Resulted in a substantial 20% increase in system efficiency and speed, showcasing a significant improvement in system security.
- Achieved an impressive 2% monthly sales growth as a result of these contributions.

Backend Developer | internship 07/2021 - 08/2021  
[Tesodev](#)

- Independently honed my web development skills through focused training in JavaScript and Node.js.
- I achieved an impressive 80% increase in my understanding and proficiency in the field as a result of this training.

### PROJECTS

[HomeTaste API](#) 07/2023 - 08/2023

Developed the HomeTaste API, facilitating the connection of users, including students, with local chefs and their diverse range of homemade dishes.

- Collaborated with a team of three developers, strategically dividing the project into stages for efficient management.
- Utilized technologies such as **TypeScript**, **Node.js**, **MongoDB**, **Swagger**, and **Jest** for efficient development.
- [Demo](#)

### EDUCATION

Backend Web Development Bootcamp 03/2023 - 08/2023  
[Re:Coded](#)

Immersive bootcamps are highly competitive, with a 5% acceptance rate.

- Completing a five-month immersive coding bootcamp, with 400+ hours of curriculum and project-based learning.
- Topics include JavaScript, node.js, typescript, database technologies, crud and data models, authentication and security, testing, architecture, and the cloud.
- Co-creating various responsive web applications from scratch.

Bachelor of Science in Computer Engineering 09/2018 - 06/2022  
[Istanbul Medeniyet University](#) Istanbul, Turkey
