EXPERIENCE

UX/UI Design Trainee 04/2023 - 08/2023

Re:Coded Bootcamp

Remote

- **LearnUp App Design Project (May - June)**
- **Role & Contribution:** As a key UX/UI designer within the team, I actively participated in comprehensive user research, using surveys, interviews, and user testing to inform our collective design approach. Collaboratively worked with the team to define a cohesive brand identity and formulate a detailed style guide, ensuring a unified user experience across our design spectrum. Contributed to team-led design sprints, assisting in the progression from sketches to mid-fidelity wireframes and refining interactive Figma prototypes.
- **Impact:** My involvement and contributions within the team resulted in a deeply user-centered design for LearnUp. The brand continuity I helped shape elevated user engagement and fostered trust.
- **FlickPick App Design Project (July - August)**
- **Role & Contribution:** As part of the design team, I contributed to extensive user research processes, utilizing surveys and interviews to gather vital user insights. Collaboratively assisted in the development of a standout brand identity, reinforced by a comprehensive style guide, ensuring FlickPick delivered a consistent and impactful user journey. Engaged actively in team-based design sprints, from brainstorming sessions to the hands-on crafting of interactive Figma prototypes.
- **Impact:** Through my collaborative efforts and input, FlickPick transformed into a platform that effortlessly guides users to their desired movie selections, enhancing the overall user experience.
