SUMMARY

Passionate Backend Developer with a strong foundation in web development technologies, gained through Re:Coded's rigorous backend bootcamp. Experienced in working with Node.js, Express.js, and MongoDB, as well as Django, Flask, and Jinja. Collaborative team player with a focus on Test Driven Development (TDD) and agile methodologies. Eager to continue learning and adapt to new challenges in web development.

PROJECTS

- **Pebble Work (REST API) Code** : A platform used to organize volunteer local events and gatherings to create meaningful work and an impact.
  - Tech stack: Nodejs, Expressjs and MongoDB.
  - Developed the API with a team of 4 developers.
  - Used Test Driven Development (TDD).
  - Used agile methodology during development.
  - Used figma while designing the app.

- **Ear Training App Video :** A web app for music students or musicians to improve their musical ear.
  - Tech stack: Django, Flask, Jinja and SQLite.
  - During project collaborated with one other musician.
  - Divided project into stages, each responsible for designing specific features.
  - With this app students are able to train their ears and they can practice the places of notes on piano.
  - Used gamification to make app more fun.

TECHNICAL SKILLS

JavaScript | Nodejs | Expressjs | Typescript | MongoDB | MySQL | OOP | RESTful APIs | CRUD | Authentication | Authorization | Validation | Jest | Axios | C | Python | Django | Django Rest Framework | SQL | PostgreSQL | Git | GitHub | APIs | Agile | Figma

SOFT SKILLS

Project Management | Problem-Solving Abilities | Strong Communication | Discipline | Leadership | Time Management | Adaptability | Continuous Learning | Collaboration & Teamwork | Resilience | Creativity.

EDUCATION

- **Backend Bootcamp - Re:Coded**   Feb 2023 - Aug 2023

Re:Coded immersive bootcamps are highly competitive, with a 5% acceptance rate.

  - Completed a 4-5 month immersive backend bootcamp, with 300+ hours of curricula and project-based learning.
  - Topics included: JavaScript, Node.js, Express.js, Typescript, SQL, MongoDB and Mongoose.
  - Working with various design teams from around the world.
  -
- **English Language Teaching - Gazi University**   Sep 2018 - Aug 2022
  - GPA: 3.50
  - Graduated from Gazi University whose ELT department is one of the best in the country.

LANGUAGE COMPETENCIES

- Turkish : Native
- English : Advanced
