Through a partnership with Bay College, NSA students have the opportunity to enroll in hundreds of dual-credit college courses and certificate programs with the ability to earn a degree, or vocational certification while in high school.

NSA Streamlined Application Process

Online application: NorthlandScholars.org/apply

Required Documents

- The past two year's official school transcripts
- Recommendation letters from two teachers, including an English teacher
- A parent letter introducing their student
- A student letter introducing themselves
- A copy of the picture page of student's passport

A Skype interview will complete the process.

You can expect an admissions decision within 2 weeks.
