

WICHITA STATE
UNIVERSITY

- **Public university**
- **Founded in 1895**
- **Offers over 220 bachelor's, master's, and PhD programs**
- **Student population: 16,000**
- **International students: 1,500**

Largest City in Kansas
Pop. 630,000

Wichita's own airport
within a 15-minute
drive to campus.

Two hundred fifty
days of **sunshine**
per year.

Wichita advantage - #1 ranking for low cost city for university students.

New York City is 217% more expensive than Wichita, and Los Angeles 204% more expensive than Wichita.

Full-time university police force and a campus-wide phone system that includes widespread emergency call boxes.

Global Select Scholarship

- Easy!
 - automatically awarded to eligible students
 - automatically renewed until graduation
- Graduate
 - 3.3/4.0 GPA or equivalent
 - 38% tuition discount
 - MBA Program not eligible
- Undergraduate
 - 3.0/4.0 GPA or equivalent
 - 36% tuition discount

Our Response to COVID-19

- Implemented use of Duolingo English Test for language proficiency
- Working with programs to waive GRE/GMAT (done with all engineering and MBA)
- Summer classes have moved online
- Too early to determine Fall

College of Engineering Programs

- [ABET accredited](#)
- Bachelor's, Master's, Doctorate
- Ranked in Top 100 of Best Engineering Schools
- Highest ranked graduate program in Kansas
- Ranked no. 4 in industry-financed aerospace R&D expenses
- Over \$100M in engineering research expenditures
- Affordability with high quality programs!

COE Graduate Program

List of Degrees Offered

- Aerospace Engineering – MS and PhD
- Biomedical Engineering – MS and PhD
- Computer Networking – MS
- Computer Science – MS
- Electrical & Computer Engineering – MS and PhD
- Engineering Management - MS
- Industrial Engineering – MS and PhD
 - Globally ranked: #48
- Mechanical Engineering – MS and PhD

All areas above have Bachelor's degree offerings!

Jardine Hall

Wallace Hall

Electrical Engineering and Computer Science

- M.S. Degrees in:
 - Electrical and Computer Engineering
 - Focus on power systems, digital communications, control, computer architecture
 - Computer Science
 - Focus on data science, cybersecurity, artificial intelligence, biometrics, bioinformatics, algorithms, and databases
 - Computer Networking
- Ph.D. degree in Electrical Engineering/Computer Science
- Planned M.S. degrees in Computing and Data Science
 - With certificates in cybersecurity, software engineering, computer networks, and applied data science

Jabara Hall

Industrial, Systems, and Manufacturing Engineering

- Industry 4.0 & Digitization
- Systems Engineering
- Operations Research
- Production Planning/Lean Manufacturing
- Supply Chain and Analytics
- Quality Control & Reliability
- Machining-Additive & Subtractive
- Robotics & Manufacturing Controls
- Ergonomics

Rapid Prototyping and Product Development Lab

Advanced Manufacturing Processes Lab

Business Programs

- [AACSB accredited](#)
- Among the 5% of business school in the world that have AACSB accreditation
- Bachelor's and Master's
- Bachelor in Information Technology and Management Information Systems (STEM programs – OPT extension eligible)
- Focus on applied learning and industry partnerships.
- [New business school building](#) is set to open in Spring 2022.
- Affordability with high quality programs!

Master of Science in Management Science and Supply Chain Management

- Qualifies as a STEM program
- AACSB Accredited
- No GRE or GMAT Requirement
- Two tracks: Management & Analytics
- Obtain Certificate in Supply Chain Management
- Scholarship Opportunities from Institute of Supply Management – Wichita
- Competitive graduate assistantships
- Interaction with supply chain leaders from major industries
- Offered through collaboration with Industrial Engineering

City of Wichita – 3rd largest Engineering Hub

- 5 Aircraft companies, LSI Logic, several agricultural farm equipment companies, oil, software companies
- On-campus businesses include Airbus, Spirit, National Institute of Aviation Research
- Wichita houses major employers like: Airbus, AT&T, Beechcraft, Bombardier, Cargill, Cessna, Coleman, Koch, NetApp and Spirit.
