

Marwan Bazighifan

Frontend Developer

Mukalla, Yemen | +967-770108459 | marouane.bazghifan@gmail.com | [LinkedIn](#) | [Portfolio](#)

Summary

I am a web developer, I have a passion for creating dynamic and engaging web applications. I am skilled in HTML, CSS, JavaScript, and various web development frameworks and libraries. I have understanding of software development principles, like agile development, testing, debugging, and deployment.

Work Experience

Freelancer

11-2021 to present

Frontend developer

As a freelancer, I provide frontend development services to a range of clients, including small businesses, and individuals, helping them create visually appealing websites and web applications.

- Implemented a modern and visually appealing design to enhance the user experience.
- Ensured cross-browser compatibility and responsiveness by thoroughly testing the website on various browsers and mobile devices.
- Worked in a team and independently as a freelancer to deliver the project within the agreed-upon timeline and meet the client's expectations.

CodSoft

9-2023 to Present

Web Development internship

At CodSoft, we believe practical knowledge is the key to success in the tech industry.

Education

University of Hadramout, Yemen

Bachelor - Information Technology
