Projects

Givingly - [DEMO](#) | [CODE](#)

A robust crowdfunding platform that connects passionate individuals with a community of potential backers.

- Technologies: React, Next.js, i18next, Firebase, Tailwind CSS, Redux Toolkit.
- Key functionalities include a homepage showcasing featured projects, a project submission and update process, and user profiles.

I Like To Movie Movie - [DEMO](#) | [CODE](#)

A movie database to show movies, their casts, ratings, trailers, related movies, and genres.

- Technologies: HTML, Tailwind CSS, JavaScript.
- The project uses the Movie DB API to fetch related data from various endpoints and conditionally manipulates the DOM in real time.

About Me

Eager and motivated Front-End Web Developer with a multidisciplinary background versed in HTML, CSS, JavaScript, React.js, and Next.js. Graduated from the Re:Coded Front-End Web Development Bootcamp focused on creating dynamic and user-oriented web applications with a strong focus on delivering responsive and accessible designs in an international collaborative environment. Possess strong attention to detail and work ethic, time management skills, and a dedication to providing high-quality web development solutions.

Professional Experience

Game Designer & Editor

Seventh Sense Studio

Mar 2021 - Jun 2023 /Full Time

- Designed unique concepts for a tabletop role-playing game and defined engaging in-game mechanics.
- Maintained target-oriented product development activities in line with the vision set by the company.
- Prepared briefings on in-game illustrations and designed in-game world and regional maps.
- Made the appropriate changes in the design by examining the feedback from the customers.
- Ensured the final product was polished and refined by reviewing and revising content for grammar, style, and tone and maintaining the highest quality standards.

Customer Support Advisor

Webhelp

Apr 2022 - Jun 2022 /Full Time

- Provided customer support services to a diverse range of customers, ensuring unique demands were met with tailored solutions in collaboration with domestic and international departments.
- Maintained customer satisfaction with forward-thinking strategies focused on addressing customer needs and resolving concerns.
- Clarified customer issues and determined the root cause of problems to resolve product or service complaints.
- Utilized company troubleshooting resolution tree to evaluate technical problems and find appropriate solutions.

Russian-Turkish Translator & Interpreter

Etkin Yayınevi

Oct 2020 - Apr 2021 /Freelance

- Brought biographical literary works to life in Turkish by competently translating from Russian.
- Ensured quality standards in translations by meticulously proofreading and revising content.
- Collaborated closely with editors to maintain the integrity of the original works.
- Delivered prompt and professional translation services with a strong focus on meeting deadlines.

Education

Front-End Web Development

Re:Coded

Mar 2023 – Sep 2023

Re:Coded Immersive bootcamps are highly competitive, with a 5% acceptance rate.

- Completed a 5-month immersive Front-End Web Development Bootcamp with 400+ hours of curriculum and project-based learning.
- Technologies: HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, React.js, Next.js, Firebase, Redux Toolkit
- Worked with various development teams to co-create a diverse range of responsive web applications from scratch across industries in a multicultural and international collaborative environment.

Bachelor of Arts in Russian Language and Literature

Ankara University

Sep 2016 – Jun 2021

- Developed critical thinking and analytical skills through close reading and discussing literary works.
- Enhanced cross-cultural communication skills through exploring different cultural norms and customs.

Russian Language Course (Scholarship)

Lomonosov Moscow State University

Sep 2019 – Jan 2020

- Honored to have been awarded a highly competitive scholarship to study the Russian language and culture at Lomonosov Moscow State University, one of the most esteemed universities in the world.
- Developed a global perspective and strengthened cross-cultural communication skills through immersion in the vibrant and diverse cultural landscape of Moscow, gaining valuable insight into the unique perspectives of people from around the world.

Other Experiences & Certificates

Entrepreneur

Seventh Sense Studio

Mar 2021 – Apr 2023

- Co-founded a startup focused on tabletop role-playing games, Seventh Sense Studio, and actively participated in the development and successful crowdfunding campaign for a unique and innovative TTRPG product with a small yet effective team, demonstrating project management, digital marketing, and entrepreneurial skills.
- Drove the entire lifecycle of a TTRPG product from ideation to crowdfunding campaign success, utilizing creativity, innovation, and business acumen to ensure its marketability and profitability.

Guest Lecturer

Business School for the Creative Industries

Apr 2022

- Shared expertise and insights with students from the Business School for the Creative Industries in the United Kingdom, helping them understand the essential principles and best practices for building successful and engaging game experiences.
- Developed effective communication and presentation skills by delivering an engaging and informative lecture on the TTRPG industry and marketing practices, fostering an ability to convey complex technical concepts to a diverse audience.

Russian Language Certificate

Philological Faculty of Lomonosov Moscow State University

Jan 2020

- Earned a certificate in Russian language proficiency, indicating a high level of linguistic aptitude and dedication to mastering new skills and knowledge.
- Demonstrated a commitment to continuous learning and personal growth by completing an intensive course of study in a challenging academic environment, honing critical thinking and analytical skills.
