SUMMARY

UX/UI designer specializing in seamless and delightful user experiences. With intensive training from Re:Coded's competitive UX/UI Design Bootcamp where I worked on 2 projects with 2 different teams. My unique background in applied chemistry combines analytical thinking with innovative solutions. I have expertise in design thinking, user research, interaction design, visual design, and prototyping, creating captivating and intuitive interfaces. I believe that My past in programming educational games for children has given me valuable insight into understanding user needs and delivering satisfying products.

APPRENTICESHIP

04/2023 - 06/2023

Türkiye/Remote

UXUI Designer

Re:Coded

HUB (Remote learning platform)

Worked as collaborative effort from inception to execution, The team of 5 designers in every phase, from initial research to the user testing stage.

- We were a cross-functional team, conducting bi-weekly meetings to ensure seamless coordination and progress tracking.
- Acquired and honed skills in team collaboration, time management, and thriving in high-pressure situations.
- Successfully delivered a comprehensive set of 19 user-friendly screens, contributing to the project's overall success and Re-coded team satisfaction.

Re:Coded

Schoolify (App for parents)

Worked with team of 4 designers in conceptualizing, designing, and delivering a comprehensive solution addressing parental concerns regarding their child's well-being and educational progress.

- Orchestrated the entire project lifecycle, from its inception to successful execution.
- Bi-weekly team meetings to maintain alignment and drive project progress.
- Leveraged valuable insights and experiences from fellow team members, fostering a collaborative environment that contributed to our solution's effectiveness.
- Achieved a milestone by delivering over 20 user-friendly screens, providing a tangible representation of our innovative solution.
- For a detailed look at this project, please visit my Behance portfolio [\[Behance link\]](#).

EXPERIENCE

01/2021 - 11/2021

Türkiye/Remote

Game Developer

Alemi

- Collaborated with a team of 3 members.
- I Developed about 4 projects from scratch, and reskinned about 36 games.
- I Provided feedbacks and shared ideas about some designs to be improved to match the overall goal of the games.

02/2014 - 10/2016
